Microeconomics 2nd edition (9780716771593) - Textbooks.com

I have read portions of several economics textbooks and I have to say that Economics, Second Edition (2009) appears to be one of the best. Despite Paul Krugman's reputation as a "leftist" the introductory pages of this text present economics in the favorable light of the classical "invisible hand" market model of economics which Krugman praises enthusiastically in his opening volley .
