Another wise lesson I had to learn the hard way is that every person is on a different journey - in terms of their personal and spiritual development but also in regards to the level of knowledge and wisdom they have acquired so far. With this wisdom comes the realization that you will not be able to force them to go down a specific path.

### 11 Wise Lessons - Essential Wisdom for Life

Government and industry spend huge amounts of money managing projects. However, they routinely make the same costly project management mistakes over and over again. This paper presents how the U.S. Army has instituted a lessons-learned process as well as some of the relevant lessons learned since the organization and process were established.
